Girl Detective Locates Stolen Money At Boyes Springs Resort

Toll Bridge Representatives To Speak Here Monday Night

THIEF SENTENCED TO SIX MONTHS IN COUNTY JAIL

Mrs. Mills of Fresno Robbed of $410 at Boyes Resort; Loot Located and J. Friedlander Is Arrested.

Mrs. Aurelia Mills of Fresno, who has been a guest at the resort of E. Peters at Boyes Springs, missed her handbag with $410 one day this week after leaving the dining room. She forgot the bag after dining and when she went back to look for it, the valuable property could not be found.

Mrs. Mills at once gave the alarm and proprietor and guests joined in a search for the money. One young lady guest became suspicious of the conduct of a man named Friedlander, who was stopping at the resort, and although he joined in the search and appeared very solicitous of Mrs. Mills' loss, the amateur girl detective kept him under surveillance. Later, when an opportunity presented itself, she gained access to his room and under his bed found the missing handbag and currency.

Deputy Sheriff Ryan questioned Friedlander and promptly took him into custody. He was sent to jail for six months.

Mrs. Mills, victim of the robbery, is a wealthy woman of Fresno and is related to the late Mr. and Mrs. Charles Ohm, formerly of Schellville.

Young Wife Passed Away In The City

Death Calls Mrs. Ermen Regusci Former Sonoma Girl, After Short Illness.

A sad death, mourned by a young husband and parents, was that of Mrs. Ermen Regusci, who died at a San Francisco hospital this week after an illness which puzzled leading physicians of that city.

Mrs. Regusci, formerly Miss Marie Resing, daughter of Mrs. R. Siemssen who resides on the former Weber place, was a bride of a few months. She was taken ill with severe pains in her head and after an illness of a few days, during which time she was taken to the hospital, she passed away.

The funeral was held here this week Rev. Isaac Cookman officiating.

HISTORIC ADOBE SOLD THIS WEEK

A historic adobe building of Sonoma changed hands this week when S. Shocken sold the property on the corner of Spain Street and Second Street East to A. J. Martinson. The adobe has been occupied by Jesse Burris and his foreman for a number of years as a dwelling place.

The original building of frame, to which the adobe was added in 1850, was erected several years previous to that date and was used as a mess hall by United States Army officers stationed in Sonoma after the Bear Flag episode. John Ray was its builder.

In 1854 the property was bought by the late Lewis Adler and remained in the Adler family for 50 years, or until after the death of Mr. Adler, who willed it to his daughter, Mrs. Amelia Bates. She subsequently sold the corner to S. Shocken.

Mr. Martinson bought the adobe for an investment.

PETALUMA LADIES ON PROGRAM HERE

The social afternoon of the Sonoma Valley Woman's Club on Friday afternoon of last week was a most delightful one. The program was delayed to a late hour owing to the auto trouble which Mrs. Arthur Ellis of Petaluma, program participant and party had enroute here. The Sonoma audience was well repaid, however, for waiting, for Mrs. Ellis' clever review of "The Pride of Palomar," the story by Peter B. Kyne ,was a treat. A Petaluma soloist, Mrs. Talmgren, was heard in two song numbers and also greatly enjoyed.

Preliminary to the arrival of the Petaluma participants in the program, Miss Ella Fox and Miss Grace Barr, high school students, entertained with violin and piano.

Mrs. Agnes Denny was hostess and delicious refreshments were dispensed by a bevy of prominent matrons.

The body of Ralph Buchan, the young Pharmacists Mate who met a tragic death when eight destroyers went down at Point Arguello, has been recovered. The sea gave up its dead after six weeks, the remains having been washed ashore near the scene of the wrecked ships. It is believed that the body was under the wreckage and was gradually released by the force of the tide.

His widow left here today for San Diego.

Since leaving here, Mr. Arbogast, who is a noted chef, has been with several fashionable concerns, such as the Tallac at Lake Tahoe, and exclusive clubs noted for their cuisine. Memories of days in Sonoma Valley however, have been luring them back for some time, so they have at last leased a bungalow on the Helberg place at Schellville and will come again to make their home here.

Initiation Of K. K. K. Held Near Napa

Initiatory ceremonies of the Ku Klux Klan were held Saturday evening over against the eastern foothills a few miles south of Napa and just off the highway.

Hundreds of spectators attracted by a flaming cross and by burning red fire witnessed the scene.

Outside of the wearing of the hoods there was no attempt at secrecy. Those who drove into the field were questioned as to whether they were members or spectators. The members or candidates were instructed to go in a certain direction while the spectators were directed to park their cars in a long line about 200 yards from the scene.

A man on horseback carrying a flaming cross led the candidates and seemed to be an important official of the ceremonies.

A big American flag was draped in the rear. It was noticed that a large number of enlisted men from Mare Island were among the candidates who accepted the obligation.

Hundreds of hooded members were present. It is understood that they came from all points north of the bay, large numbers being present from Oakland and Santa Rosa.—Napa Register.

Dave Potter and wife of Vallejo (nee Ethel Evans) seeing the gathering of Klansmen, came over to Sonoma and took a party from here to witness the ceremonies. They heard one of the most flowery orations on Americanism ever listened to, say the Sonoma spectators.

ADVANTAGES OF NEW BRIDGE TO BE DISCUSSED

Will Address Sonoma Business Men's Association at Their Regular Meeting Next Monday Night.

The following letter has been received from A. J. Hanford, President of the American Toll-Bridge Co.

Sonoma Index-Tribune,
Sonoma, California:—

The Business Men's Association of Sonoma will hold their meeting on Monday, October 29th, 1923 at 8:30 P. M. at their regular meeting place.

A very important matter for discussion will be the benefits to be derived by this community through the completion of the bridge across the Carquinez Straits. The bridge is now under construction and a contract for the substructure, amounting to One Million Two Hundred and Fifty Thousand Dollars ($1,250,000.00), has just been awarded to Duncanson-Harrelson Company of San Francisco.

When this bridge is in operation, the land values of all communities served by this convenient route will of course be greatly increased and, in addition, the rancher will be afforded a better market for his products.

These matters will be discussed in detail at the meeting above mentioned It will be to the advantage of every business man of Sonoma to be present

Cordially yours,
American Toll-Bridge Company
By Aver J. Hanford.

Monday morning's S. P. train carried the educational heads of local and Sonoma county schools to Oakland, where they attended the sessions of the teachers' institute and participated in the meetings of the California State Teachers' Association which was in session from Monday until Thursday. Among local teachers attending were Mrs. Baker, Mrs. Buttner, Miss Jackson and Miss Howard.

J. Merton, who has accepted a position with a San Rafael firm, was a guest over Sunday at the E. P. Waldo home in Sonoma Vista.

Walter Paulson, Sonoma butcher, hopped the rattler for Napa Bridge on Sunday morning in quest of bass. The day was ideal for the followers of Isaac Walton and the striped ones were biting good. Paulson, who has the distinction of having won the championship from our local angler, John Larson, grabbed off four beauties. Larson wants a return match with his conqueror, as he thinks he can win back his lost laurels.

William McAuley, S. P. main line engineer, has been spending several days at his El Verano ranch. McAuley is on the division where the hold-up occurred recently and runs over the same place where the shooting of four trainmen took place, but luckily was not on train No. 13, which was held up. The McAuleys reside at Hornbrook, near which place the robbers made their escape in the thickly wooded hills.

Mrs. Fred Ventor o Oakland was a guest at the Andrews home over Sunday.

Mr. and Mrs. W. D Sloan were shopping and attending the Hippodrome Theatre in Napa Saturday.

L. Mouyer and party motored to the rice fields Sunday where they were guests of Ollie Johnson. Ducks were scarce and the hunters only bagged five. The trip, however, was greatly enjoyed by all.

A gang of gypsies traveling by auto gave the old town the once over this week and touched one of our visitors for some change after telling his future. The visitor, on feeling in his pockets later, found he was just one silver dollar short. How the gypsy turned the trick is still a mystery to the loser. Deputy Sheriff Ryan floated the tribe out of town.

POWER companies do not despoil or waste the state's natural resources. They merely use the force of falling water to turn a wheel in order to make electric energy. Thus fuel is saved, and the public gets the benefit in lower rates fixed by the public's agent, the Railroad Commission. The water so used is turned back to the bed of the stream undiminished and unimpaired. The streams are thus harnessed for the public's service. That is true conservation.

VINEBURG NEWS

Joseph Tynan, one of our well known orchardists, left Thursday to fill a position with the Hetch Hechy Water Co. in Tuolumne Co. for the time being.

Mr. and Mrs. Fred Batto and son, Herbert, left on Thursday for a week end visit at the Summit.

Mr. and Mrs. John Batto, accompanied by Mr. and Mrs. Aug. Figone and family, motored to Napa Wednesday and were guests of Mrs. D. Banchero.

Henry Rubke lost valuable horse last Saturday, the animal being run down by the north bound passenger train near Vineburg.

Miss Adele Andrieux was the guest of friends in the metropolis over the last week end.

Mesdames Alber and Frank Groskopf motored to Vallejo last Thursday and were entertained by friends.

W. J. Weyand, one of Dixon's prominent citizens and solid business men, was a visitor at Batto's Spur last Wednesday.

DEATH OF EDWARD B. PAYNE

Edward B. Payne, pastor of the Berkeley Unitarian Church and former Glen Ellen resident, died suddenly in Oakland this week. He dropped dead while attending a meeting in Odd Fellows Hall.

For several years Rev. Mr. Payne who was married to the aunt of Charmian Kittredge London, lived at Wake Robin Lodge on the London Ranch. He was a man of splendid literary attainments and had been prominent in the world of letters. At one time he was editor of the Overland Monthly and had managed and contributer to other publications. He had attained the age of 76 years. Funeral services were at Berkeley.

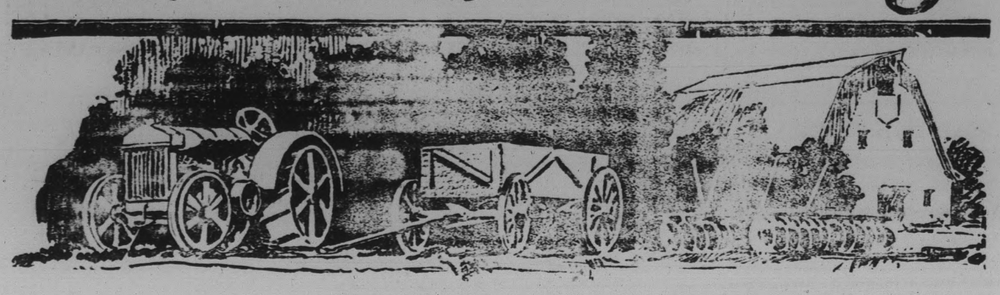
TONIGHT Y. L. I. DANCE

The Young Ladies Institute will give their Hallowe'en dance here tonight. Great interest is manifest in the music to be furnished by the California Grays orchestra of San Francisco. A large crowd is expected

Mrs. J. Muth of Los Banos has been here on a visit to her sister, Mrs. Ida Dorman. Mrs. Muth had been in San Francisco for the American Legion Convention and the Eastern Star gathering. She has a son in U. C.

Miss Evelyn Cordell has been spending her vacation in San Francisco.

Paint for these implements less than $5.00



JUST think—less than a gallon of *Certain-teed* paint will give these implements two good coats. $5 will more than cover the cost of the paint. There is no economy that saves you more than painting expensive farm machinery and implements. It adds years to their usefulness. When the cost is such a trifle can you afford to put off painting?

Certain-teed paint gives the utmost satisfaction on the farm. Whether for tractor, wagon, or other implements, it is a lasting paint that resists the weather and the wear and tear of heavy work.

OUR experience is that Certain-teed has more body and wears longer than ordinary paint. It certainly does cover the surface.

American Toll-Bridge Company
525 Market Street,

Gentlemen:-

This will confirm our acceptance of the contract to construct the entire substructure of your bridge across the Straits of Carquinez. The estimated cost of this work will be $1,250,000.00 and work will proceed immediately.

Respectfully yours,
DUNCANSON HARRELSON CO.,
By D. H. Duncanson,
President.

THE above letter tells its own story. Contracts have been signed and work will proceed immediately on the $1,250,000.00 concrete substructure of "Ameriea's Greatest Bridge," the Carquinez Bridge now being built by the American Toll-Bridge Company.

Soon the huge pneumatic hammers will be riveting together the giant beams, adding their din to the roar of the concrete mixers that are rushing the piers—notifying the West that the Carquinez Bridge is moving to completion.

In but a comparatively short time pleasure cars, trucks and trailers by the hundred thousand will be streaming over the bridge, both ways, pausing only long enough to pay their tolls. (Our ferry at the same point, in whose earnings and declared dividends American Toll-Bridge shareholders will participate, suggests the traffic the bridge will enjoy. In the first nine months of this year the ferry carried 307,577 automobiles and 821,691 passengers.)

If you will act quickly, this traffic—every car, passenger and pedestrian—will be paying tolls to you!

Fill out the attached coupon now! It will assure you of an interview with our fiscal representatives now in your territory. Full details on the investment opportunity offered by the Carquinez Bridge will astonish you. You do not obligate yourself in any way when you send in the coupon.

(Application has been made and granted to list this stock on New York Curb Exchange)

Gentlemen: Kindly send me full details on an investment in the Carquinez Bridge.

GOOD FAST BOXING AT CONEY ISLAND

The Thurston—Jones bout provided many thrills at Coney Island Friday night of last week for the fans, with Pasquale doing his usual stuff. Pasquale was knocked down in the second round but evened matters up before the bout was over and the draw decision was well received.

Young Russel hit Billy Carr with everything but the ring-post, so the referee decided that Russel did a good day's work and awarded him the decision in the second round.

Young Willis of Vallejo met his master in K. O. Bradley and took a flop in the third round.

Willie West had too much punch for Harper. West won in two rounds.

The novice bout was a humdinger while it lasted. The referee stopped it in the second and awarded the decision to Battling Chick.

Mr. Kent, a rancher from Triniti, drove down to Coney Island via mule team and challenged any boxer, and his challenge was quickly accepted by Jackie Miller. Kent is called the "Fighting Woodchopper" of Caliente and Jackie Miller is one of the fastest boys in San Francisco. The show was well attended and the bouts were exceptionally good.

train master at Suisun, made the trip to the wreck by motorcycle and section gangs were rushed out to repair the damage. Three hundred ties had to be replaced.

Mr. and Mrs. A. Swenson are the proud owners of a new Dodge coupe. The Swensons are also making many improvements on their property in South El Verano. Contractor W. J. Minkel is doing the work.

Mr. Spears has an option to lease a strip of land from the Maxwells along the picturesque Sonoma Creek, running from the El Verano Villa to the Riverside Garage, upon which location he will establish an auto camp ground. Many motor travelers formerly parked on this scenic location and no doubt this will become a popular place. Already a fortune teller is on the ground, prepared at all times to review one's life, tell him of his first and future loves, of former sweethearts who have gone and new ones to come and wealth to be lost and gained. El Verano is soon to have an auto camp grounds with advantages such as no other city in sunny California has to offer.

Work is being rushed on the new ball park at the former Bigelow ranch by the designers, Lichtenberg and Fitzgerald. The Seals, pennant winners of the Pacific Coast League, will be here to train in February and negotiations are on to get one of the eastern major league teams to train here also. El Veranoites and base ball celebrities welcome this good news and plan to give the visitors a big reception when they set foot in the Valley of the Moon. Lichtenberg has gone south this week to look over the big hotels of that part of the state before starting work on the new hotel to be erected in Boyes Springs.

MAX KAPLAN IS PARDONED BY COOLIDGE

Max Kaplan, Sonoma bankrupt who was sentenced to a year in the county jail last May 26 for alleged concealment of assets in proceedings in federal bankruptcy court, was freed on Tuesday by direction of President Calvin Coolidge.

The order for release was announced in a telegram from Attorney-General Harry M. Daugherty to United States Marshal J. B. Holohan in San Francisco.

Marshal Holohan communicated the order to Sheriff Tom Finn and Kaplan was given his liberty. He began serving his sentence May 27th.

Kaplan was taken into custody by authorities early in the year. He was accused of having concealed goods in a Napa store and in a shed at Novato in an attempt to defraud creditors after failing in his Sonoma business.

An indictment was brought against Kaplan by the federal grand jury in San Francisco and he was sentenced to serve a year in the county jail.

The pardoned man formerly conducted an up to date furnishing store at the present location of the Valley National Bank.

Mrs. Alice Flieger has rented an apartment from Mr. and Mrs. Thomas Monahan.
